

Dearest Dennis,

You won't remember me,
but I remember you as
a precious little fellow
of 8 or 9 years.

I saw your picture
in the record & I'm so
proud of you. We surely
need good people like
you as our representatives.
How do I know you are
so good?? Because I remember
your parents when I was
teaching at St. Denis & how
they loved you & were so proud
of you.

I'll pray for you on
election day. I go to St.
Raphael's Church.

God bless you in
your work and with
your family. Regards.
